This California Privacy Notice / CCPA Notice is intended for California residents and should be customized based on whether the Company is subject to the California Consumer Privacy Act, as amended by the California Privacy Rights Act.

Categories of Personal Information

- Identifiers such as name, email, phone number, IP address, and mailing address.
- Commercial information related to services, inquiries, or transactions.
- Professional or employment-related information submitted by providers, clinics, vendors, or partners.
- Internet or network activity information.
- Geolocation approximations derived from IP address or submitted location.
- Sensitive personal information if submitted through intake or secure workflows, subject to additional controls.

Purposes

We may use personal information to provide services, respond to inquiries, schedule meetings, operate our business, maintain security, perform analytics, support marketing where permitted, comply with law, and manage relationships.

Sale or Sharing

We do not sell customer lists. If advertising technologies constitute “sharing” under California law, appropriate opt-out mechanisms should be implemented where legally required.

California Rights

- Right to know/access certain personal information.
- Right to request deletion, subject to exceptions.
- Right to request correction.
- Right to opt out of sale or sharing where applicable.
- Right to limit certain sensitive personal information uses where applicable.
- Right not to be discriminated against for exercising rights.

Contact

California privacy requests may be directed to info@enhancedbioscience.consulting.
