This Third-Party Links Disclaimer applies to links, references, integrations, embedded tools, vendors, platforms, and third-party resources appearing on or through the website.

No Control Over Third Parties

Third-party websites, services, platforms, applications, and resources are owned and operated by independent parties. We do not control their content, privacy practices, security, availability, pricing, claims, or policies.

No Endorsement

A link or reference does not imply endorsement, approval, sponsorship, partnership, or guarantee unless expressly stated in a written agreement.

User Responsibility

Users should review third-party terms, privacy policies, refund policies, medical disclaimers, and security practices before using third-party services or providing information.

No Liability

To the maximum extent permitted by law, we are not responsible for losses, damages, claims, delays, data practices, or disputes arising from third-party services.
